CANCER SOCIETY

WARRIOR RESOURCES

MISSION

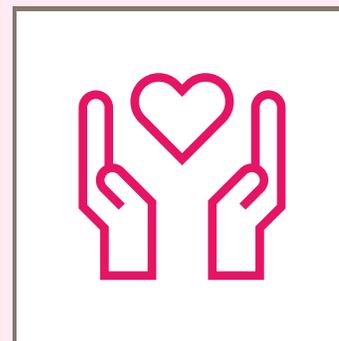

The mission of this organization is to identify, organize, solicit, and provide access to resources that support individuals and communities in the fight against cancer.

VISION

The vision of the Organization is to provide prevention education and post-diagnosis resources to cancer warriors by harnessing the power of communities.

SERVICES

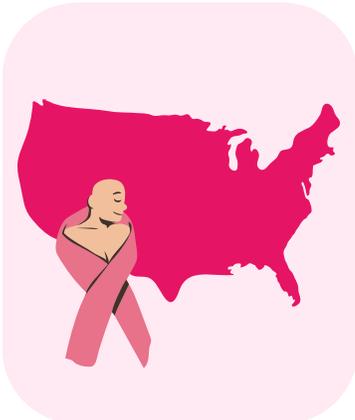

We assist warriors across South Carolina by providing the following:

- free post-mastectomy supplies
- treatment assistance
- survivorship resources
- educational resources
- emotional support resources

Published Fall 2022

Olivia Robinson, Miranda Proctor, & Liam Baird

National Resources

American Cancer Society

Provides information and support on diagnosis, treatment options, financial and health insurance issues, patient support and services, caregiver support and other resources. Their Road to Recovery program provides volunteers to assist with transportation to medical appointments. Call to learn what resources are available in your community.

 (800) 227-2345

The Assistance Fund

Provides eligible underinsured individuals with financial assistance to cover all or part of the individuals' out-of-pocket cost for the supported medications.

 (855) 845-3663

Breast Cancer Assistance Fund

Their mission is to help women who are dealing with the stress and anxiety of a breast cancer diagnosis and are in need of financial assistance or emotional support.

 (866) 413-5789

Medicare help for Limited Resources or Income

If you are a Medicare beneficiary with limited resources and income, you may be able to get extra help paying for your monthly premiums, annual deductibles, and copayments related to the Medicare prescription drug program.

 (800) 325-0778

Cancer Care

Offers free emotional support, information and practical help, including counseling, support groups, workshops, resources and financial assistance.

 (800) 813-4673

Three Lollies

National Resources

Genevieve's Helping Hands Charity

Genevieve's helping hands charity/recovery grant
Genevieve's Helping Hands is a not-for-profit charity dedicated to providing resources for helping young women with breast cancer heal and live their lives.

Expect Miracles Foundation

Expect Miracles Foundation's Samfund grant program provides direct financial assistance to young adult cancer survivors.

Unite for Her

Provides counseling and other ways for breast cancer patients to enhance their wellness and care for their emotional, spiritual, and physical needs.

Lasagna Love

Lasagnas delivered to a family in need of some extra love and kindness impacted by the kindness of home-cooked meal delivery.

Lisa Marzullo Fly Again Foundation

Giving young adults battling breast cancer a Dream Vacation, but more importantly, something to look forward to while navigating cancer treatments and surgeries.

Allyson Whitney Foundation

Provides young adult cancer patients with 'Life Interrupted Grants™' to ease their financial burden to concentrate their energy on healing. We want to empower an underserved demographic of Adolescents and Young Adults (AYA age range 16-36).

For 3 Sisters

Dedicated to raising awareness and improving the lives of people affected by breast cancer. Provides financial support and resource case management services to people affected by breast cancer, and educates the healthy community about breast cancer and the importance of early detection.

Pink Fund

Pink Fund provides financial support to help meet basic needs, decrease stress levels, and allow breast cancer patients in active treatment to focus on healing while improving survivorship outcomes. Our 90-day grant program allows us to meet their critical expenses for housing, transportation, utilities, and insurance. Provides 90-day non-medical cost-of-living expenses to breast cancer patients in active treatment.

Bikers Against Breast Cancer

Our Mission is to provide temporary financial assistance to people who are directly or indirectly affected by cancer and who are struggling to pay their common living expenses. You don't have to be a biker to receive information or assistance. You don't have to live in any particular area, we're National. We help people with any form of cancer, not just Breast Cancer. We assist men, women, and the caregiver of cancer patients.

Family Reach

Caregivers are the parents, grandparents, children, partners, siblings, neighbors, and friends who make sacrifices so their loved ones can get better. A donation to Family Reach helps caregivers afford basic needs like food and housing during cancer treatment. With every dollar you give, you're improving someone's chances of survival. Eligibility requirements To qualify for our services, patients must be in active cancer treatment Receiving treatment at a hospital within the 50 states, Washington D.C., Puerto Rico, and US territories.

Nurses House

Nurses House provides short term grants to RNs who are unable to work due to a medical crisis. RNs can apply for help with housing expenses including rent or mortgage payments. If the individual is not currently making a housing payment, Nurses House will cover medical expenses as outlined in the Service Program Guidelines.

Healthwell Foundation

Helping the underinsured afford critical medical treatments — because no one should go without essential care. Our Vision: To ensure that no patient goes without health care because they cannot afford it. We provide financial assistance to help with:

- Prescription copays
- Health insurance premiums, deductibles and coinsurance
- Pediatric treatment costs
- Travel costs
- Behavioral health services

Provision Project

Helping Women Live While The World Seeks A Cure. Project provides financial relief to women in active treatment for breast cancer.

*Indicates breast cancer specific

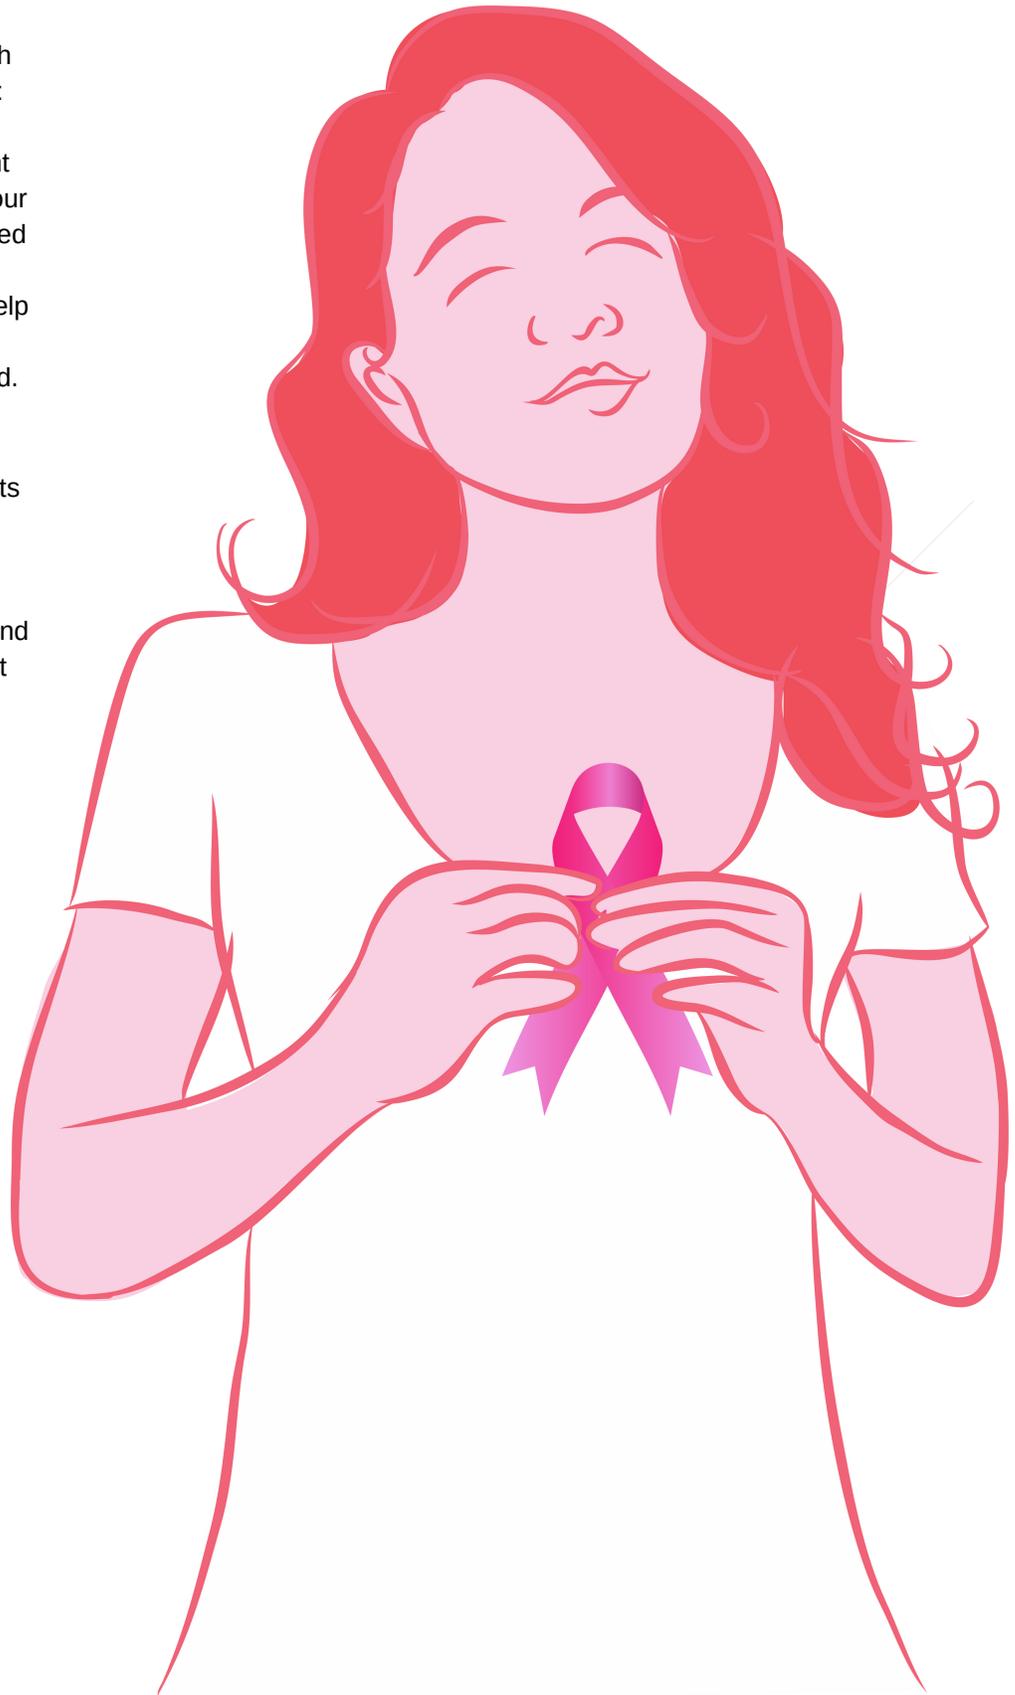

National Resources

Pink Daisy Project

We aren't raising money for research or awareness. Our goals are simple: to help young women cope with the hardships of breast cancer treatment by providing care and comfort. For our girls, it's too late for a cure. They need help TODAY. Our headquarters are located in the Seattle area but we help young survivors from all across the country and sometimes even beyond.

The Donna Foundation

Nearly 73% of breast cancer patients contemplate modifying or skipping their medication or treatment, and 41% actually act on it. Why? To be able to afford to feed their families and keep up with household bills. Project provides financial relief to women in active treatment for breast cancer.
